FEBRUARY 2015

PARSON TO PERSON

Last summer Pastor Jean convened a broad based group of Our Savior's folk to look at worship issues, including space and style of worship. No complaints, just a time to reflect on how we worship.

At the same time Bishop Eaton of the ELCA asked congregations to revisit "The Use of the Means of Grace," a 1997 statement by the ELCA on sacramental practices. Is this document still helpful, and does it need to be revised in any way.

The statement does not dictate what we do; rather, reflecting on what the Bible and the Lutheran Confessions say about sacraments, it offers guidance and insight on how the sacraments can be a part of our lives as faithful disciples of Jesus.

Our study group saw this as an opportunity to use "The Use of the Means of Grace" in their own conversation. As they pondered the Biblical and confessional insights, they made two recommendations to the Worship Committee:

1. That we consider an option to allow younger children than 5th grade to receive Holy Communion.
2. That we try, for the season of Lent and Easter, to offer Holy Communion each weekend, rather than twice a month.

The Worship Committee considered the groups ideas, then recommended them to the Congregation Council, which, at its January

meeting, after considerable discussion, decided to implement both recommendations.

We'll talk more about the option of communion at a younger age next month, except to say that the 5th grade First Communion class still goes on! We still offer for all 5th graders the opportunity to learn about God's gift in the sacrament, and to receive "First Communion" at that time.

For now, let's address the frequency of Holy Communion...the Lutheran Confessions make it clear that Holy Communion is part of our regular, weekly worship. Weekly communion really is a "Lutheran" thing, at least it was in the beginning. In fact, for Martin Luther, it was a daily practice. That appears to be the case in the early church as well. The Book of Acts speaks of the regular gathering of God's people around a meal, which we understand to have included the Lord's Supper.

So how did we move to less than weekly Holy Communion? For the most part in this country, once a month (or even less) Holy Communion was the result of not having enough pastors to go around. My own grandfather, serving in Western North Dakota around 1920, had seven congregations to serve – he couldn't get there every week, so Holy Communion had to wait. Once a month might be the best you could do!

Still, we are a church of Word and Sacrament. We believe that the message of God's grace through Jesus comes in the words of scripture, but also in visible form, in the sacraments. In the bread and wine, we experience the body and blood of the Crucified Christ. In faith, we receive the gifts of the cross and the promise

of the resurrection each time we partake of the sacrament. And, in that faith, we experience salvation. Martin Luther said that we experience God's gift of life when we hear and trust the words, "the Body of Christ given *for you.*"

Moreover, we do this as a community. We come forward to receive God's gifts of life together with others. We are made to be the Body of Christ! It is important for us, therefore, to offer both words and sacrament on a regular basis.

Maybe even more important in a changing society. For a variety of reasons our culture, our world has changed. Once upon a time regular worship attendance was three or four times a month. That has changed. For many folk regular worship attendance is once or twice a month. Work, travel schedules, and other distractions take us from being in worship each Sunday. So, what happens then if the Sunday we can make it is NOT a communion Sunday? Offering the sacrament weekly allows those who are not able to be with us every week to still receive the gifts of grace we believe are present in the bread and the wine.

Typically, there are two concerns with weekly communion. First, it won't be special anymore. That may seem to be the case, but consider this – I love my wife, and I give her a kiss, frequently. But shouldn't that be special? Should I, therefore, kiss her less frequently, so it's "special?" Of course not. Kissing my wife is even more special, the more I do it!

Second, there are concerns about the length of worship. We are aware of that, and we will work diligently to offer worship that is meaningful, relevant, and timely.

One important note – *you are never required to partake of Holy Communion – if weekly celebration makes you personally uncomfortable, you don't have to take communion every week – yet know that it is there as a gift for those who seek it!*

The council decision is to make this part of our Lenten and Easter pilgrimage (actually, we'll start the first Sunday of March.) What a great opportunity to not just hear about the cross and the empty tomb, but in the bread and wine, the body and blood, to live it – to be connected to the crucified and risen Jesus in a way that cannot be understood – only embraced!

Toward the end of the Easter season, the council will review how this has been for us, and will consider the frequency of communion moving forward.

For now, as the journey unfolds give thanks for the gifts of God's grace, and as you come forward each week to be fed, know that this is *for you!*

WELCOME, NEW MEMBERS!

In late January Our Savior's welcomed a group of new members – we are excited to join with them in making a difference in our world! Several of our new folk are introduced below – watch the March newsletter for some more introductions.

Pat and Heidi Krupicka...were married this past year, and live on French Island. Pat is a carpenter, and Heidi works at US Cellular and is a cosmetologist. They enjoy gardening and canning their produce, and have two Chocolate Labs. They enjoy the outdoors including fishing and duck hunting.

Naoko Aminaka...was born and grew up in Japan. She came to faith in Jesus Christ through a missionary pastor she met on the street while playing with friends. Two years later, she was baptized and confirmed. Naoko is an assistant professor in athletic training at UW-La Crosse, and no surprise – she loves running and the outdoors!

THRIVENT CHOICE DOLLARS

Remember that if you are a Thrivent member you may have "Thrivent Choice Dollars" to direct. Our Savior's is one of the many potential recipients of your choice dollars, but your direction needs to be made each time. See Thrivent's web site for more information or stop by the office and we will help you out.

MISSION ACCOMPLISHED!

We did it! Back in August, we were challenged to raise \$7,000 for a new well in a small village in Zambia, partnering with Water282. Allen and Jessica Bateman shared their story, and encouraged us to make it happen. Late in January a representative group of 7/8th graders, who helped with the Norwegian Dinner, decided to put the tip money toward the well – and that put us over the top!

Thanks to ALL who contributed, from the first dollars to the final gifts. Your sharing will make a HUGE difference in the lives of those who lack clean, available water – a simple gift of life!

HOSPITAL REMINDER

Being hospitalized is never easy. Our goal is to visit each member during this difficult time.

At Gundersen, please be sure to alert the hospital of your church affiliation when they ask and they will then release your room number to us when we call. At Mayo Clinic Health System/Franciscan Healthcare, it is important that you or a family member contact the church office to notify us of your stay. Mayo is no longer able to give out that information.

SIMPLY GIVING

Many of us make a variety of payments directly from our bank accounts. Simply Giving allows you to do the same with your contributions to Our Savior's ministry! A number of our members currently use this service for their contributions. There is no charge to you, and it is a safe and efficient way for you to make your contributions. For more information see Pastor Jon or Pastor Jean, or speak with Kay in the church office. Setting up Simply Giving is easy, and you can change your contributions or end your participation at any time. Check it out!

STEWARDSHIP CORNER

Ella Beal is one of our 4th graders. She attends West Salem Elementary school, really likes Math, and hopes someday to be a teacher of 1st or 2nd graders because, she says, they "have fun." Ella is also a disciple of Jesus.

In early December, Ella decided she wanted to do something to make a difference in God's creation. She thought about the homeless, but wondered if her gifts matched the need. After all, she is only a 4th grader.

Yet, she knew she was gifted, so she set out to find a need she could meet. Since she loves animals, and she is pretty convinced that God does too, she decided to collect gifts for the Humane Society.

Using a technique she has seen before, she put out a tree with things that are needed for the animals at the Humane Society, and then a box to collect the gifts, and put it in the Gathering Area.

"Animals care for you when you are sad," Ella said. Doing this is a way to care for animals, and she thinks that God would say she is doing a good deed.

When others heard her story, they too became difference makers. Her Dad's employer made a financial contribution, and then when she was at the store to buy some gifts for the animals, she struck a conversation with the woman behind her, who contributed another \$10.

Of course, Ella also sees needs beyond animals. She thinks that we need to "help other people around the world, because everyone matters in the world." And in response, she says, "Jesus would say, 'thank you for helping out.'"

Thanks to you, Ella, for making a difference, but especially for helping others make a difference with you. As Ella says, "Try to make a difference."

Oh, and Ella says "Thank you" to all who contributed to her giving tree!

"Growing in Grace"
Vacation Bible School
August 10-13
9 AM- 3 PM

Counselors from Sugar Creek Bible Camp will be here at Our Savior's to lead us for a week of Vacation Bible School. Watch for details and registration forms.

The *friendly competition* continues between our Sunday School classes to see which class will have the most weeks of "*near perfect*" attendance and which class can raise the *most offerings* to fill God's Global Barnyard.

We have wiped the slate clean and begin a new term of keeping track of our class attendance ... will our 1st grade continue their streak of "near perfect" attendance, or will another class step forward and get the treats in May?

As we ended December, there were 8 children who had perfect attendance, another 13 who only missed once, and 6 who only missed twice! Way to go kids!! Can you keep it up until the end of the year?

Check out the bulletin board outside of Pastor Jean's

office to see how our barnyard continues to grow. The chicks are multiplying, we have several pigs and goats, and a lamb or two are within reach.

The congregation is on their way to a second cow to keep "Christmas" company.

During Lent, we will be encouraging everyone to take a Barnyard Bank, fill it, and bring it back on Palm Sunday.

A cow, a couple of goats, a dozen chicks, two pigs, and farming tools, plus

agricultural training and marketing support, can help a family achieve a fresh start. With new tools and techniques, crops will grow bigger and stronger than ever before. Eggs, milk and meat from farm animals will provide enough food to eat and sell on the market, helping a family **escape the cycle of hunger and poverty — for good.**

THE LUTHERAN

The Lutheran magazine provides news and insight into the life of the ELCA, along with special feature stories. Currently, Our Savior's provides The Lutheran to families in the congregation. *If you would like to continue to receive it, you need to contact the office prior to April 1.* We also ask those receiving The Lutheran to consider contributing toward the \$10 subscription cost. An envelope is in your envelope packet, or just put your contribution in any envelope marked The Lutheran.

If you are not receiving The Lutheran, and would like to, please contact the office.

Hungry Jar Offering for February Lutheran Disaster Response

Our 2nd Grade Sunday School class has chosen **Lutheran Disaster Response** as the recipient of the Hungry Jar offerings for February. Lutheran Disaster Response brings God's hope, healing and renewal to people whose lives have been disrupted by disasters in the United States and around the world. When the dust settles and the headlines change, they stay to provide ongoing assistance to those in need. In the past, some of the disasters that have been helped through Lutheran Disaster Response include U.S. Tornadoes, Typhoon Haiyan, Syria, and U.S. flooding. Currently their activities include Ebola outbreak response and work with unaccompanied and migrant children. To learn more about the work of Lutheran Disaster Response check out the ELCA website: www.elca.org/Our-Work/Relief-and-Development/Lutheran-Disaster-Response.

MOM'S GROUP

Join us as we seek to support each other on our mission as mothers. A group to encourage you as a Mom and you as a person! A genuine gathering of God-loving women that meet us where we are at. We are still working through the best times to meet to reach the majority of those interested. See the Youth and Family board for upcoming dates.

CHANGES TO SUGAR CREEK CAMBERSHIPS

For those who are planning to attend Sugar Creek Bible Camp this summer, please note our **new procedure** for obtaining camperships. Our Savior's provides \$100 camperships for those attending summer camp. In the past, the camp provides us with a list of those attending and we send them the camperships. We will **NO LONGER AUTOMATICALLY** send the check to camp. This year we are asking students/parents to fill out a "campership request form" and return it to the church office **NO LATER** than May 1st. Forms are available in the church office and on the church website. Camperships will be given to the students during worship the weekend of May 9-10. Students will be responsible for getting the campership money to Sugar Creek by the June 1st deadline. As a congregation, we want to lift up those young people who will be spending a week experiencing God's grace at camp, sending you forth with our prayers and blessings.

**Senior
Spotlight!
Celebrating
our Resident Theologians...**

Disciples come in all shapes and sizes. We have much to learn from our “elders” as these resident theologians have insights and stories to share. Shortly before Bob Roraff died, he graciously allowed us to share a glimpse into his story. Bob, 81 years old, died on January 5th.

Bob’s advice to new disciples of Jesus ...

Bob started as a Methodist, joined the Catholic Church because of his stepfather, and ultimately married Myrtle who was Lutheran. Bob said he was not brought up with religion and sometimes did not feel up with everyone else. Yet, he has faith knowing the Lord has done a lot for both he and Myrtle. The Lord keeps sticking by him, but he wonders why.

Bob’s favorite Bible passage ... because ...

Bob said he likes all of them. He couldn’t pick the best because he didn’t know what the best is. He said they read the Bible every morning.

Bob and Myrtle’s earliest memories of church ...

Bob remembers being 8 years old and going to the Methodist Church with a neighbor on Saturdays and doing crafts and projects. Myrtle remembers the 3-hour services on Good Friday at her Lutheran church in Viroqua – as a kid it was the “longest three hours.” Bob involved himself in the life of Our Savior’s through the years serving on the council, as a Sunday School teacher, and helping with the bulletins and newsletters.

After I met with Bob he sent an email with more of his thoughts ... *I believe that God gave each and every person the power to do; believe in and practice what they think is best for them. I also believe what is in the Bible, but there are different versions of the Bible, which one is right or is it the way each one was translated*

through the ages? I am still trying real hard to understand religion. I BELIEVE, isn’t that what really counts?

Thank you for sharing, Bob! His memory and his faith live on.

Senior Ministries

Just a reminder ... When you’re at church ... feel free to ask an Usher for ...

- ❖ a **large print bulletin** for use during worship – everything is included in the bulletin, no need to fumble with heavy hymnals
- ❖ a **hearing assist device** available for use during worship

For those who can’t get to church ...

- ❖ we have large print copies of the daily devotional “**Christ In Our Home**” that comes out quarterly
- ❖ a **DVD** is made each week of the **Sunday worship service** and we have a DVD player to lend out with the DVD

If you would like to receive either of these, please call the church office and let us know. **We are happy to deliver!**

Bible Study @ Salem Terrace

Monday, February 9th at 10 AM

Members – *and friends* – who live at Salem Terrace and Mill Street Manor (or whoever would like to stop by – *all are welcome*) are invited to Bible Study and a time of fellowship on the second Monday of each month. We will meet in the small kitchenette room off the parking lot between the two buildings. The coffee pot will be on.

Drive a “Senior” to Church Adopt a “church buddy”

Many of our older members who are no longer able to drive or who do not drive in the winter months would love to **get to church** periodically! We have compiled a list of volunteers who are available on an **as needed basis** to “adopt a church buddy” and bring them to church. If you would like to be a part of this ministry of caring, or if you are in need of this service, contact Pastor Jean (jean_oslc@centurytel.net) or call the church office.

“CONGREGATIONAL CONVERSATION” RESCHEDULED

The Mission Discernment Team has rescheduled the “congregational conversation” to Sunday, March 1, from 1:30 to 3:30 p.m. Childcare will be available, and of course, a few snacks as well!

Why reschedule? We want a good turnout, and we want YOU to be there, and alas, the Packers game got in the way!

What will we do? We seek to listen to each other, and to discern what God calls us to be and to do. Our time together will not make any decisions, but we hope it will give us some direction and help us understand how our resources, including our properties, fit in to God’s plan for us.

Come prepared to explore God’s call and God’s direction – YOU are an important voice through which God will speak. We need your insight and your discernment as we pray, study, ponder, and share God’s work in our midst.

CONGREGATION COUNCIL REVIEW

The Congregation Council met on Monday, January 12, with President Mike Alumbaugh presiding. At this meeting the council:

- Reviewed and approved the December minutes and financial reports.
- Received the audit report for 2013 for the church accounts.
- Approved a recommendation of the Worship Study Task Force and the Worship Committee to offer Holy Communion every week during Lent and Easter, and to give parents the option of considering an early communion for children in consultation with pastors.
- Recommended to the annual meeting the purchase of the house bordering the parking lot, and authorization to sell the property north of the parsonage.
- Recommended to the annual meeting the proposed 2015 budget.
- Decided to change how we subscribe to The Lutheran, by asking those interested in The Lutheran to indicate that interest in order to continue receiving the magazine.
- Thanked outgoing council members for their ministry over the past three years.

The council meets again on Monday, February 9. See one of the pastors if you have any questions.

EMAIL FROM PASTOR JON

Pastor Jon sends out occasional emails with announcements about happenings at Our Savior’s, and a weekly reflection on God, life and faith. If you are not already on the email list from him, and would like to be, please send Pastor Jon your email address, or speak with him. We will never sell your email address, and if you want to get off the list, we’ll do that too!
