AUGUST 2016

Pastor's Reflections

Our recent trip to the Pacific Northwest included lots of wonders, fun times, and new (for us, at least) discoveries. From the Badlands to Yellowstone, from Wall Drug to Pikes Market, from mountains to the oceans, we had it all. Including, in Wyoming and Montana, the shortest on ramps to I-90 I have ever seen. Not only that, you merge into traffic at 80 mph. You've got to move, and move with conviction!

Kind of like life these days. They (whoever they are), say that all of human knowledge accumulated through 1900 doubled by 1950, doubled again by 1970, doubled again by 1980...you get the idea...our world is moving faster and faster. And like I-90 at 80 mph, the on ramp is really short!

True too for us in church circles. Our society is changing, and rapidly. What was true in the 1950's, when I started in ministry (way back) in the 80's, simply isn't anymore. From technology to our cultural norms, to the geopolitical world in which we live, to the changes in American demographics, the speed is increasing, and the on ramp seems to be getting shorter. And that is sometimes just plain overwhelming. For me, and I imagine, for most of you.

So, what's to do? Talk...listen...pray...pray some more...discern...and act boldly!

Consider...there are a lot of challenges and opportunities facing Our Savior's right now.

Great things...like new, young families joining with us, and the summer lunch program in its third year. But we also have challenges...considering where our youth ministry needs to go, and how that should be staffed...and ongoing struggles with space. All of that is happening at a time when church life is less significant in the lives of many people throughout our culture – and even in our own community. And with the backdrop of the changes in our society (the faster speeds with the shorter on-ramps), it makes for a dizzying, confusing, stressful, and apprehensive time.

But maybe that's not all bad. Think about it. If the future looked promising and bright, and if we clearly saw all we need to do, then we could just sit back, do as we have always done, and all would be well.

Instead, and I think we know this to be true, we really aren't able to figure out how to get up to speed, how to make it from the on-ramp to the highway. Not by ourselves, we can't. And we know that.

That means we need something more – we need God's work in our lives, and most importantly, *we know that! We know we need to be anchored in God's call, empowered by God's Holy Spirit, and grounded in the new life of the cross and the empty tomb.*

And that's why this isn't all bad. We know we can't do it. We know we need God. And when we know we need God, we begin to open ourselves to the work of the Holy Spirit.

That means we need to talk and listen to each other, to pray (and pray some more), to discern what GOD is calling us to do and to be, and then to act boldly as faithful disciples of Jesus. In short, we need to let the spirit run wild in our midst!

Many of you attended a "congregational conversation" in March 2015. That event, attended and received well, gave us valuable insights and allowed us to really connect with each other. So, we plan to have another conversation in September. Sunday, September 18 (the Packers play in the evening), we will gather in the afternoon for some time of talking, listening, praying, and discerning, so we can act boldly.

We need this time together. Remember? The speeds are high, and the ramps short. Our changing society challenges us – but also brings forth new opportunities. To make it happen we need more than good ideas, strong leadership, and lots of resources. We need God's presence. We need disciples of Jesus. We need you.

And most of all, from you, we need not your opinions, or your thoughts. We need your discernment. What do you hear God saying to us? What do you hear God's call to be? That's what we need more than anything – and we won't have it without you joining with us.

Watch for more details in the September newsletter, but for now mark it down – September 18 – be there so that together we may be – and do – what God calls us to be – and to do!

Pastor Jon

STEWARDSHIP CORNER

Zach and Mallory Long (Chad and Carla's 12 and 9-year-old children) have come up with an interesting project for the summer. They decided to sell raspberries harvested from grandparents Herb and Judy Long's patch and give 25% of the profits to the Hungry Jar here at Our Savior's.

They started out just selling in the neighborhood to friends and then extended family. Small baskets were \$5.00 and the large baskets were \$10.00. They decided on this pricing by doing research at several local markets.

Mallory and Zach eventually placed a sign along Highway 16 near Judy and Herb's house, set up a table, and started to sell the berries. The first night they sold 5 big baskets and 2 small baskets. The local police stopped by to make sure that they were safe and sampled some of the berries. Judy reassured me and the police that she was close at hand and watching out for them. Business cards were made for "M and Z's Raspberries" with phone numbers to call and return the baskets when the berries were gone.

This project and idea of stewardship was Zach and Mallory's. Kids making a difference with their own idea and making it work on their own. The profits were split evenly with 25% going to Judy, Mallory, Zach and the Hungry Jar.

By the way, they will be bringing \$33.00 to church in the near future. Thanks Zach and Mallory!

THANKS, TIM!

Tim Bowman will be leaving us as our Interim Director of Youth Ministry in early August. Tim has helped fill the gap since last fall, and has assisted us in discerning our call to ministry, especially ministry with young people. We will have a fellowship hour in Tim's honor on Sunday, August 7. Please join us as Tim returns to the Twin Cities to pursue ordained ministry through his studies at Luther Seminary.

God
BLESS
you

YOUTH MINISTRY POSITION

Heads up...in the near future Our Savior's will be seeking candidates for the position of Director of Youth Ministry. We are currently developing the job description and considering how this ministry might best fit in our understanding of what God is up to. We hope to provide specifics on the position and the application/interview schedule in the September newsletter. But for now...if you or someone you know might have an interest, start praying about it...and keep your eyes open for more details!

SALVATION ARMY DINNER SERVING

August 12

The summer wears on, and so do the needs of hungry people. How can you help? The Salvation Army

continues to meet the needs of people, and you can share in their ministry by serving an evening meal. Our Savior's takes the second Friday of the month. We are there from 4:15-5:15 p.m. – no preparation or clean up, just serving and being the presence of Jesus as we do "God's work with our hands." We look to have up to six servers, and families are welcome, including children as young as ten. A sign-up sheet is on the youth bulletin board outside Pastor Jon's office.

SCHOOL KIT PROJECT

A note on the website gives an urgent plea for school kits, as they are now needed in many places throughout the world.

There is a basket in the Gathering Area for your donations. Items are now on sale, so please consider shopping this month! The list is quite specific, so please check it before shopping. There are "shopping lists" available on the kiosk for you to take.

Items placed in each kit include:

- 4-70 sheet notebooks (no loose leaf paper)
- 1-30 cm ruler
- 1-pencil sharpener
- 1-BLUNT scissors
- 5-unsharpened pencils
- 5-blue or black ball point pens (no gel ink)
- 1-box 24 crayons
- 1-2½ inch eraser

Thank you for your involvement!

NEW MEMBERS

Thinking of joining Our Savior's? We would love to have you! EVERYONE is welcome in worship, and our ministries seek to involve all of God's children, so even if you are not a member you are welcome to be a part of our activities.

But...if you would like to be a formal part of this community, read on. Persons from a Lutheran background join through transfer. If you once were Lutheran, but not a current member of a congregation, the council will act to receive you. If you come from another denomination, or were not churched, we offer a "new member class" (really, it's more fun than work!) Regardless of where you are coming from, if you have an interest in membership at Our Savior's, see Pastor Jon or Pastor Jean, and we'll get you set.

We are intentional about keeping in contact with our college students – sending emails periodically, as well as remembering them during final exam week. We are also interested in hearing about life away from home and encourage them to share with us.

College-bound students

You may be **“out of sight”**

**Senior
Spotlight!
Celebrating
our Resident Theologians...**

Disciples come in all shapes and sizes. We have much to learn from our “elders” as these resident theologians have insights and stories to share. Leona Friske graciously allowed us to share a glimpse into her story. Leona, who turns 87 years young on August 9th, has been a faithful member of the funeral lunch committee, and in her “younger” days helped our Sunday School children make their crafts during class.

Leona’s advice to new disciples of Jesus ... faith motivates you, lifts you up and helps you. Leona said faith is important because you feel closer to the Lord. Leona enjoys going to church because she knows Jesus is there, and she feels good. As her health has declined, Leona misses being at church regularly, but looks forward to the times when she feels up to being here.

Leona’s favorite Bible passage ... because ... Psalm 23 ... because there are things in that psalm that move her ... *“he leads me in right paths for his name’s sake ...surely goodness and mercy shall follow me all the days of my life ...I shall dwell in the house of the Lord my whole life long ...”* Leona feels this psalm includes everything. She also said “Amazing Grace” is her favorite hymn.

Leona’s earliest memories of church ... When she was younger, Leona used to go to the Baptist church with her girlfriend. The girlfriend would stay over at Leona’s and they would go to church together. When Leona met her future husband, she started going to his Lutheran church – St. Peter’s in Reedsburg. She was confirmed at St. Peter’s before their

wedding so she would be a member when they were married.

Thank you for sharing, Leona! Please keep Leona and all of our “senior” members (and “resident theologians”) in your prayers.

CONGREGATION COUNCIL REVIEW

The Congregation Council did not meet in July. The next council meeting will be on Monday, August 8. See Jim Quamme or one of the pastors if you have any questions.

PASTORAL ACTS

† We express our sympathy to the family of Clyde Pierce. Clyde died on July 9 and services were held July 15 with burial in Burns Cemetery.

We thank the **MAILING CREW** for assembling the Newsletter. The members who helped this past month were Connie Blunck, Bev Bockenbauer, Sandra Holthaus, Judy Morzinski, Carol Peterson, Mary and Rich Storandt, and Betty Whitlock.

Dear OSLC
Scholarship
Committee,

Thank you so much for your extraordinary generosity in the awarding me your scholarship! This will be a huge help next year! Thank you so much!

Sincerely, *Allison Rigotti* ☺

Communion Bread ...

We are now using homemade bread for Holy Communion on the third weekend of each month. We thank *Lynette Ender* for providing the bread in July and *Jerry Willer* in August.

If you would like to be a part of this important ministry, please speak with Pastor Jean. Recipes are available.

MIDWEEK REFLECTIONS

Pastor Jon shares an occasional "midweek reflection," sent out by e-mail, and posted on the "pastor's blog" on the web site (<http://www.oursaviorswestsalem.org/category/pastors-blog/>). You can always check the site, but if you'd like to get the e-mail version just let him know, or send him an e-mail at pastorjon@oursaviorswestsalem.org. Over 200 folk are on the list – you can be too!

THRIVENT CHOICE DOLLARS

If you are a Thrivent Financial for Lutherans member, you may have "Thrivent Choice Dollars" to direct. You can direct these dollars to Our Savior's (or any other registered ministry) by going online, or contacting Thrivent. We have information in the office to assist you – see Pastor Jon or Pastor Jean.

MISSION ENDOWMENT FUND

Our Savior's maintains an Endowment Fund to further the mission of the congregation as we reach out into the community around us, and the world beyond. Established and enhanced by significant bequests, the fund usually makes its disbursement at the end of the year. This year's disbursement will be around \$12,000.

There are several different kinds of ministries and community organizations that are eligible for support from the Mission Endowment Fund:

- Outreach into the community and synod, through social service agencies, institutions and agencies, and to special programs designed for those persons in our parish area who are in spiritual and/or economic need.
- Missions of the ELCA meeting a variety of needs in the church and the world.

A comprehensive description of eligible ministries is available in the office.

Members of the congregation are encouraged to suggest organizations or ministries that might meet the criteria above. The deadline for this year is September 30. Please submit your suggestion to the office, along with your name, the contact for the organization, and a description of what they do (if it's not all that obvious!) The Mission Endowment Fund Committee will consider all requests and make the final disbursement decision.

For more information, see Lee Fernstaedt or Pastor Jon.

NEWS FROM THE LA CROSSE AREA SYNOD

Bishop Arends reports that great need – *and opportunity* – exists in our companion synod in Peru. Sembrando para el Futuro (“Sowing seeds for the future”) is a program that La Iglesia Luterana del Perú maintains in response to the incredible need faced daily by families in Peru. With one in three families living in poverty, one in five children malnourished, and nearly half of the toddlers under three suffering anemia, the need is great.

Sembrando was designed to provide children with:

- a healthy daily meal in a clean space
- school materials, tutoring and space for studying
- access to books and other printed materials
- safe and healthy recreational environment
- support and counseling by pastors for faith education and family dynamics
- support and family education for the children’s parents

So, what can we do? *Pray...spread the word about Sembrando...and reach out through sharing of the gifts God has entrusted to us.* Donations can be made directly to the synod office (2301 South Avenue, La Crosse, WI, 54601), or through Our Savior’s – either way, mark your gift for “Sembrando.”

FINANCIAL PEACE UNIVERSITY

Financial Peace University is coming to Our Savior’s in West Salem this fall. Plans are in the works to conduct our fourth

Dave Ramsey FPU. FPU is a biblically based curriculum that teaches

people how to handle money God’s ways. You will learn about the “Seven Baby Steps” as part of this nine-week class. Locally you can listen to the Dave Ramsey radio show on WIZM 1410-week nights from 6 to 9 p.m. or you can check out his website at DaveRamsey.com. If you have questions see any member of the Stewardship Committee or Pastor Jon. As Dave says, “If you live like no one else, you can live like no one else.” Watch for more information.

SIMPLY GIVING

Simply Giving is an electronic transfer that makes your offerings to the work of Jesus

through Our Savior’s automatically at the amount and frequency you

desire. It’s easy to set up, easy to change, and can be discontinued at any time. See Kay in the office or one of the pastors to learn more.

SCRIP CARDS

Scrip Cards continue to be available for Kwik Trip,

Woodman's, and Festival. Cards are generally available before and after Saturday worship, and between services on Sunday. Cards make great gifts, and at the same time, a percentage goes to support our ministries. You can fill up, eat up, and gift up – and make ministry happen all at the same time!

A sign up is outside Pastor Jon's office if you would be willing to sell cards. Kids need a parent present, and their "cut" goes into their account for future mission trips. Adults can put their share to the summer lunch program. See Pastor Jon or Pastor Jean for more information.

HOSPITAL REMINDER

Being hospitalized is never easy. Our goal is to visit each member during this difficult time.

At Gundersen, please be sure to alert the hospital of your church affiliation when they ask and they will then release your name to us when we call. At Mayo Clinic Health System/Franciscan Healthcare, it is important that you or a family member contact the church office to notify us of your stay. Mayo is no longer able to give out that information.

E-COMMUNICATIONS OR PAPER COPY

Did you know that **111** people receive the newsletter by email instead of the **435** people who receive a paper copy?

Interested in helping us save paper and postage? One way we can do that is to send you an email each time we post the newsletter on our website. Give us your email address, let us know you don't want a paper copy of the newsletter, and we'll do the rest. You can find the website at www.oursaviorswestsalem.org
